Walla Walla, WA 99362
phone (509) 524-2710

This is a request for a credit towards the stormwater service charge, per Walla Walla County Code 11.04.070. Credits are not cumulative. Credits must be granted by the County Engineer by October 15 to be in effect for the following billing year. Credits may be in effect for multiple years if ongoing qualifying criteria are met. Appeals of decisions must be made in writing, within 30 days, to the Board of County Commissioners. This form is available at www.wallawallastormwater.com or at the Public Works Department.

Application for Stormwater Utility Credit (page 2)

Property Owner Certification

Please initial each of the following statements certifying that you have read and understand each one:

I am the owner, the financially responsible person, or the officer, director, partner or registered agent with authority to execute instruments for the financially responsible person, and have read and understood WWCC 11.04.070 and this application.

This application and supporting material accurately describes stormwater management practices on the property identified on this application.

I will notify Walla Walla County within 60 days of any site changes that would negate the conditions of any approved credit.

I will manage the property, including any stormwater structures and drainage systems, in accordance with the conditions of this application.

Property Access

I hereby grant Walla Walla County access to the property referenced in this application, within 24 hours of receiving notification from the County, for the sole purpose of inspecting the property for compliance with the conditions of any approved credit.
